Prevention Professionals of Arkansas

P.O. Box 11235

Fayetteville, AR 72703

2024-2025 Membership Year

Dear Prevention Partner,

Thank you for your continued support of prevention in Arkansas. The Prevention Professionals of Arkansas (PPA) has great news to share with all of our Arkansas prevention partners. Last year, the boards of the Arkansas Prevention Network (APNet) and PPA collaborated on opportunities to explore ways in which we can assist in building a stronger prevention workforce throughout the state. Both boards met and came to the unanimous decision that having one prevention organization serving as the united voice of prevention would better serve our Prevention efforts. As a result, the board of APNet had decided to merge with PPA starting in July 2023.

The PPA (formerly the Arkansas Prevention Certification Board) is affiliated with the International Certification and Reciprocity Consortium (IC&RC). PPA seeks to increase the awareness and recognition of the prevention profession and empower, encourage, and equip a certified workforce for prevention services.

The membership form for the 2024-2025 year is attached/enclosed.

Please be sure to complete the enclosed membership form with **updated information on current members** and/or providing necessary information on any new members. Please provide a primary contact for the organization sponsoring the group memberships.

Thank you for choosing Prevention Professionals of Arkansas as your statewide prevention organization. We look forward to working with you in the coming year.

Sincerely,

Amy Mellick-Wetzel, CPC
PPA President

***Student Membership \$20.00**

***Individual Membership \$25.00**

***Organization Membership \$100.00 for 5 members, \$200.00 for 10 members, etc.**

Key Benefits of Membership

- Belonging to a state-wide prevention support system
- Having a collective voice concerning legislative issues
- Current updates on prevention news and issues
- Regional contact persons available for improved networking
- Notices of discounted educational opportunities
- Peer recognition
